Individual Contribution Sheet

Team: Series __ Section _ Group __ (fill in before submission)

Each team member must record their own concrete contribution: which files or functions they wrote, which tests they ran, which parts of the report they wrote. Viva marks are awarded individually, so be specific and honest. Do not invent contributions; this sheet is a template to be filled in by the team.

Contributions

#	Name	Roll No.	Contribution (files / functions / tests)
1			
2			
3			
4			
5			
6			

Notes

- Attach extra sheets if a contribution does not fit in one row.
- All members must sign their rows before uploading the project.
